

CHILDHOOD SPECIAL EDUCATION (MA)

Department Website (<http://steinhardt.nyu.edu/teachlearn/>)

NYSED: 24695 HEGIS: 0808.00 CIP: 13.1001

Program Description

This MA program in Childhood Special Education is open to participants who have a bachelor's degree and hold certification or are eligible for certification in childhood education. Upon successful completion of the program, participants are eligible for New York State professional certification in special education at the childhood level (grades 1–6). The curriculum focuses on strategies to adapt curricula, learning environments, and assessments to address the different intellectual, emotional, and behavioral needs of students and on approaches for working with children with emotional/behavioral disabilities, including educating children with severe/multiple disabilities.

Admissions

Admission to graduate programs in the Steinhardt School of Culture, Education, and Human Development requires the following minimum components:

- Résumé/CV

Learning Outcomes

Upon successful completion of the program, graduates will:

1. Build relationships with students and families with the goal of fostering student learning, engagement and well-being.
2. Integrate theory/research with pedagogical and classroom practice.
3. Develop and implement discipline-based curricula, unit plans and lessons that are coherent, use culturally relevant pedagogies, and foster experiential learning.
4. Create and apply classroom strategies that are explicit, innovative, appropriate for a specific context, and use technology to support student learning.
5. Develop a practice that is equitable and inclusive and acquire the skills of a professional educator.

Fieldwork Placement

Be advised that fieldwork placement facilities that provide training required for your program degree, and agencies that issue licenses for practice in your field of study, each may require you to undergo general and criminal background checks, the results of which the facility or agency must find acceptable before it will allow you to train at its

facility or issue you a license. You should inform yourself of offenses or other facts that may prevent obtaining a license to practice in your field of study. NYU Steinhardt will not be responsible if you are unable to complete program requirements or cannot obtain a license to practice in your field because of the results of such background.
